

2017 North Carolina Vascular Technologists Conference

WAKEAHEC
BETTER HEALTHCARE THROUGH EDUCATION

Saturday, March 4, 2017 and **Sunday, March 5, 2017**
Registration: 7:15am Registration: 7:15am
Program: 7:45am – 5:00pm Program: 7:45am – 12:15pm

William F. Andrews Center, Raleigh, NC

Event #51609lh

Program Description: NCVT is dedicated to the educational advancement of personnel involved in diagnostic vascular testing and does this by providing an opportunity for continuing education to those involved in vascular diagnostic testing.

Conference Location

William F. Andrews Center
3024 New Bern Avenue
Raleigh, NC 27604

Directions and parking information will be emailed with your confirmation letter.

Target Audience

This course is designed to provide vascular surgeons, radiologists, internists, vascular technologists, sonographers, and nurses with useful information and discussion of a wide variety of topics in Vascular Technology.

Objectives

At the conclusion of this activity, participants should be able to:

1. Describe the latest advances in non-invasive diagnostic vascular testing and treatments.
2. Describe basic principles and procedures related to diagnostic vascular testing.
3. Discuss current issues and trends in the vascular technology field.
